

## START YOUR JOURNEY TO COMPLIANCE TODAY

HR in Health has you covered with a comprehensive **Compliance Review** that identifies areas of (non) compliance in your employment foundations. Don't be a passenger, it's time to put yourself in the driver's seat and significantly reduce potential risks of workplace claims against your practice.

### Award & Fair Work Compliance

- Identify compliance and gaps in application of HPSS & Nurses Award
- Classification/pay rate check and payslip audit
- Leave entitlements & loading
- Clarify casual conversion obligations
- Employment advice to minimise risk of workplace claims

# 01

### Contracts of Employment

- Review existing employment contracts
- Drafting amendment recommendations to ensure compliance

# 02

### Employment Policies & Procedures

- Onboarding breakdown
- Review of Practice's HR related policies & procedures
- Policy implementation and management

# 03

### Workplace Health & Safety

- Assessment of non-clinical WHS framework
- Key WHS document check
- Evaluation of WHS education and hazard management
